

Dear Prospective New Student:

Teen Challenge is a Christian residential program that takes a minimum of 13 months to complete. The program is very structured; it is a Christian growth program. Please take time to consider all this to be sure that this is what you want.

After reading through the contents of the entire packet and giving it some thought, the following steps are required in order to be admitted into one of the centers in Teen Challenge of South Texas:

1. An interview must be done with our Intake Director. If you are within a 100-mile radius of the center you wish to enter, the interview is done at that Center. If you are more than 100 miles away, the interview can be done by phone. You will have to call us, we will not call you. You can find the phone numbers online.
2. You will need a completed medical examination form (available online). The exam and test results cannot be completed more than 30 days prior to coming into the program.
3. If you are on probation/parole, the Court having jurisdiction over you must approve your move here. You will need to take care of all pending Court dates before entering the program.
4. We are not a medical facility; therefore, if you need to detox, you must do so before you come to the program. We do not accept anyone who is on mood-altering medications. If you are currently using them but want to stop so you can come into the program, you will need a medical doctor's release stating that you no longer need to take them. Please take care of all dental and eye care needs before coming, as our resources for appointments are extremely limited.
5. There is a \$1,000.00 induction fee that is non-refundable. If there is a difficulty with the fee we will work with you to see what can be arranged. Our desire is to find a way to help you.

The current rules are available online. Please read them carefully and make sure you agree with them and understand them. Direct any questions to the center's Intake Director.

Sincerely,

A handwritten signature in blue ink that reads "Greg Fleck".
