

PROBATION / PAROLE OPTIONS FOR STUDENTS

If you are on probation or parole, the following are the three options available for reporting:

1. If monthly in-person visits to P.O. are required, then your case must be transferred to the local county jurisdiction for the Teen Challenge campus where you are applying.
2. Teen Challenge can send monthly progress reports to out-of-county/state P.O.
3. A monthly phone call may be made by the student to report to out-of-county/state P.O.

The #2 option is the preferred choice whenever possible
